Production Manager

Bend-Tech: Innovators of Tube & Pipe Fabrication

Bend-Tech takes pride in providing products that innovate the way tube and pipe are designed and fabricated. We are continuously pushing this industry forward with tools that promote efficiency and accuracy. Since 2001 Bend-Tech has been growing into the company we are today. At our headquarters in Osceola, Wisconsin, all our employees strive for Honesty, Innovation and Quality in everything they do.

Position Overview

We are looking for someone with great problem-solving skills and a passion for efficiency to manage Bend-Tech's production areas. This will include the electrical assembly, sub assembly, and final assembly production areas, along with the custom crating & pallet area. The right candidate would oversee creating the production schedule and ensuring all departments underneath them can keep up to the goals set from upper management. They will also be responsible for making sure all items are packaged correctly and ready to ship on time.

Job Duties and Responsibilities

- Motivating, supporting, and providing guidance to production teams
- Set production goals for each manufacturing team.
- Help develop workflow policies and procedures that improve efficiency without compromising safety or quality
- Maintain housekeeping at an excellent level
- Handle disputes among team members
- Regularly assess safety standards so keep Bend-Tech accident free
- Communicate regularly with upper management regarding problems or issues impacting the production areas

Qualifications/Skills

- Bachelor's degree in production management or sufficient and relevant practical experience
- Proven track record in management and training employees about safety and production
- Excellent verbal and written communication skills
- Ability to coach and motivate
- Deep knowledge of production management along with strong decision-making skills and a results-driven approach. A go-getter attitude
- Attention to detail
- Passion for efficiency
- A dedicated leader that is organized

Hours, Pay, Benefits

Full-time Monday-Friday 7:00 AM-4:00 PM

We generously reward hard work and initiative. We offer a full benefits package that gives our employees both unique perks and peace of mind, including medical, dental, vision, life, and disability insurances and 401 (k) with matching.

Salary based on experience
